

**Gary Moore** – Student president candidate 2010/11

My name is **Gary Moore**, 4<sup>th</sup> year International Business student and I'm campaigning for your vote to be Student President for 2010/11. I am currently head of the Erasmus Student Network one of the biggest societies at Caledonian that I helped establish 2 years ago. As part of my degree I have also represented our university on study exchanges. My experiences have made me very open-minded and culturally aware; these qualities are backed up by a belief in internationalising the association as the way forward.

This presidential post requires someone who is highly motivated and energetic with the appropriate communication and social skills to engage every student in the Student Association. I will encourage more active involvement of students from all degrees, interests, and backgrounds. I believe the success of our Student Association can be measured by the levels of integration and participation as well as healthy cooperative relationships with the University itself and other student bodies.

If elected Student President I would:

- ensure the timely receipt of **coursework feedback** before the exam period
- restrict more **computer labs** to 3<sup>rd</sup> year & 4<sup>th</sup> year honours students
- enhance the **international reputation** of the university and increase the number of partnerships for placement and exchange across more degree programmes.
- drive an **environmental awareness** campaign and promote energy saving measures

In addition to these main points, I would also strive to:

- foster stronger ties with industry and alumni to provide more opportunities and advice for those soon to graduate
- set aside specific rooms/areas for group working
- improve the quality of the food offered around campus
- stimulate the involvement of all students including internationals in sporting activities

**So if you want more from your Student President and Association... Vote for someone who will listen to your opinions and be pro-active on all student issues... Vote for more... Gary Moore #1**
